

THE GAZA MONOLOGUES

Let's Stand Together for People in Palestine

29 Nov 2023

Hosted at Tara Theatre

The Gaza Monologues are testimonies written by ASHTAR youth in 2010, after the first war on the Gaza Strip.

Tragically, these monologues are still relevant today. They highlight the horrors, hopes and resilience of Gazans to a wider audience, giving voice to the courageous children and people in Gaza. We, a grassroots collective of artists, unite in support with the people in Palestine.

Alongside this, we present monologues from Gaza from October 2023 with Az Theatre (London), who have been in direct partnership with Theatre for Everybody (Gaza) since 2009.

All funds raised from this event will go to ASHTAR Theatre (Ramallah), Theatre for Everybody (Gaza) and Freedom Theatre (Jenin).

This event has been organised by a grassroots group of Independent Cultural Workers who have come together collectively to stand in solidarity.
